

Carolina Video Security, Inc.

CVSI attains "Certified Channel Partner" status with OnSSI

October 3, 2007

Raleigh, NC – Carolina Video Security Inc (CVSI), a North Carolina based security systems integrator, is pleased to announce that its staff has completed the training and qualifications for "Certified Channel Partner" status with OnSSI. CVSI is now the leading provider of advanced network video solutions from OnSSI for our area.

"Certification training is critical to successfully integrating and supporting advanced security products, especially those that rely on a broad set of skills in video surveillance, software and networking", said Brad Silvernail, President of CVSI. "The CCP level means that CVSI is qualified to provide all OnSSI solutions from small to medium business through to the enterprise".

About CVSI –

Carolina Video Security, Inc. (CVSI) provides, installs and maintains commercial and industrial physical security systems including advanced surveillance, intrusion and access control solutions. We solve challenging design, environmental and networking requirements and employ the most advanced -- proven and reliable -- technologies to help protect your employees, facilities and operations.
